EXPERIENCE

StuyHacks   **New York, NY**
Director of Logistics   **Jun, 2016-Present**
- Manage a team of 4 members to create a schedule for our events and to coordinate with other departments to plan technology events to provide learning opportunities to high school students
- Organize workshops and educational events to allow 200 attendees to learn about computer science and technology during the hackathon
- Recruit judges and mentors to help 200 hackathon attendees develop computer programs and mobile applications

Intrepid Sea, Air & Space Museum   **New York, NY**
Museum Services Representative   **Jul, 2016-Aug, 2016**
- Led groups of 10 tourists around the Museum daily to teach them about the history of the USS *Intrepid*
- Engaged with museum visitors by providing information on daily programs, exhibits and suggested museum itineraries to allow the visitors to have the best experience possible

StuyHacks   **New York, NY**
Logistics Organizer   **Mar, 2016-Jun, 2016**
- Coordinated an annual two-day hackathon with a team of 10 members to teach high school students about technology
- Negotiated with 20 technology companies to provide funds to accommodate 50 more attendees at the hackathon

ACTIVITIES

Stuyvesant Alumni Mentoring Program   **New York, NY**
Senior Student Leader   **Nov, 2016-Present**
- Headed a group of 20 Stuyvesant High School alumni and current students to provide the students with the social and personal skills to succeed outside of the school environment
- Organized 5 sessions of the Program to instruct students on career-development, resume-building and interview-prep to prepare them for the real world
- Construct a responsive website using HTML and CSS to promote the Program and to consolidate the Program's logistics infrastructure

Stuyvesant Model United Nations (UN)   **New York, NY**
Member   **Oct, 2014-Present**
- Chaired an Ad-hoc committee, at the 2016 Stuyvesant High School Model UN Conference, of 20 delegates to debate the decision-making process in the Manhattan Project
- Led discussions of major world crises at the Horace Mann School and the Dalton School Model UN Conferences to develop possible solutions
